Dear Sir:

I wish hereby to make application for an extension of time of entry upon my homestead (N.W. ¼ of 28, 20, W. 4th mer.) for the following reasons. I have a family to support and owing to the dry season I saw no possibility of getting such support by residing upon my homestead. I would therefore ask if possible to allow me until next spring (1920) in which to make residence.

Trusting that this request may not be unreasonable nor impossible to grant, I am

Dept. of the Interior Ottawa

Dear Sir

Re your letter of Aug 4th I do not understand the meaning of it at all as I certainly have never written a letter to the Department to say I find it impossible to go into residence on my Homestead. I think you must have made a mistake, the letter I wrote the Department was asking if the Homestead Inspector could call on me to prove up my Homestead as I found it would incur a big expense by taking Witnesses to Lethbridge, owing to the dry years of the past I could not afford it. When I first received a letter from the Dept. at Ottawa stating my Homestead would be cancelled by Aug 10th I only had 10 acres more to break to accomplish my duties. I therefore broke the 10 acres and applied for my patent

but I omitted to put the statement in the letter
I sent in July to the Department I had it made
out ready to take to the J.P. but put it up
on a shelf & forgot it for a time for which I am
sorry, but the certainty is a mistake in the
letter you state you received from me as
no mention of residence was mentioned in
my letter. trusting this will be satisfactory.
in your letter you state I must for a letter of
authority to secure another Homestead and that
is another mistake as I never thought of giving
up my present Homestead, my intentions are
living on my Homestead this fall and fencing it
trusting this can be straightened out and that
I can secure the Patent of the N.W. 26.1.20.4

Dear Sir:

Re: Account of Wilton Robert Robinson
N.W.¼ 28-1-20-W.4th

We have your letter of the 1st of September, 1959, informing us that the above-mentioned land is encumbered by two Dominion Seed Grain liens in the amounts of $15.75 and $32.75, together with a copy of your letter addressed to Messrs. Davidson, Davidson and Williams, Barristers and Solicitors, 315 - 6th Street South, Lethbridge, Alberta.

Our records indicate that a Joint-Provincial and Federal account is still outstanding against the N.W.¼ 28-1-20-W.4th for advances of relief made to Wilton Robert Robinson in the amounts of $15.75 and $32.75, on the 9th of March, 1922 and the 17th of April, 1922, respectively, by the Province of Alberta. In 1927, when patent issued for the N.W.¼ 28-1-20-W.4th the liens were registered against the land as "Dominion" liens, apparently to protect our equity in the account.

There is no evidence on our file of these liens ever having been paid. However as the Province itself has no registered security for this small account, we are prepared to ask the Registrar to remove our "Dominion"

Dear Sir,

Mr. Noel, Agent Dominion Lands of this city anticipates a large rush of settlers at the Landoffice early in the Spring. In view of the regulations issued by the Department of the Interior, which are "That no priority of right can be established by presence at or about the office previous to the day upon which the land desired is open for entry" it is necessary to keep the land office and entrance thereto clear and obstructed during the day or night time.

The eagerness displayed by many applicants in an effort to secure a favourable position has caused considerable trouble when the office is being opened in the morning, therefore, it has become necessary for the Dominion Land Agent to get Police protection, to keep the entrance to the office clear and unobstructed during the day and night, and prevent loitering and grouping. As istance is particularly needful at the opening hour to prevent rushing and compel the applicants to go in one at the time so that they will be properly numbered and dealt with accordingly.

Kindly attend to this matter, and if necessary issue your own numbers to applicants as they enter the door.

Yours truly,

(Sd.) D. Milne.

Mayor.

Dear Sir,

I beg to acknowledge receipt of your letter of yesterday's date, asking for Police protection.

Enclosed you will find copy of instructions issued to the Chief of Police, which we trust will meet with your approval, and meet the requirements of the situation.

Yours very truly,

DM/MC. (Sgd.) D. Milne.

In connection with the positions these parties held outside of the Office I beg to state that on the 27th February, 1911 Mr. Noel, then Agent of Dominion Lands here, communicated with Mr. D. Milne who was then Mayor of this City instructing him to keep parties from obstructing the entrance to the Office during day or night time and also to prevent loitering and grouping with a view to interfering with the proper working of the Office, a copy of which communication would appear to have been forwarded to you. In reply the Mayor forwarded copy of his instructions to the Chief of Police a copy of which instructions are herewith attached.

It would seem that the instructions issued at that time by the Mayor are not being properly carried out and that they are permitting people to take up positions and retain the same for a number of days and which action is being taken advantage of by some of those in the real estate business in this City, for if they are permitted to select places and retain same they are in command at all times when land is becoming available for entry.

In view of the Declaration filed by Doctor Robertson I did not grant William A. Sprinkell entries for the land applied for but took his applications and placed them on file pending instructions from you. I also accepted applications for en-

Sir;

I beg to state that in accordance with the order of the Hon. Minister of the Interior which was contained in his telegram of the 31st ultimo, I made available for settlement on the morning of the first instant Sections 3,4 and 10 Township 23, Range 1, West of the 4th Meridian.

The first party to apply for land on the opening of the office was William A. Sprinkell of this City who applied for Homestead and Pre-emption entries on the S.½ of Section 3 Township 23, Range 1, West of the 4th Meridian. When taking his application and before the completion of same Dr. William Robertson of Alsask, Sask., entered a protest against the same being granted on the grounds that this party together with others was holding positions outside of the Office contrary to the Dominion Lands Regulations and was therefore trafficing in Dominion Lands.

I accepted declarations from Dr. Robertson, William A.Sprinkell, Arthur Rundle and Paul Bogasch also Edward Cooper, this gentleman being a party stationed at the Office by Messrs. Sprinkell and Allan and being paid by them for his services at the rate of 25 cents per hour.

MEMORANDUM:-

S. ½ of 3--21--1, W. 4th M.

Three sections were thrown open on the morning of the 1st of June, and the first applicant for land was W. A. Sprinkell.

Sprinkell wires that the Agent would not accept his application because of a protest against it.

The matter was referred to the Agent for a report which is underneath.

You will see that Dr. William Robertson entered a protest against Sprinkell's application because the latter had a party stationed in the line in front of the office and paid him twenty-five cents an hour to hold a place for him.

The Agent submits declarations from Dr. Robertson and others including one from Edward Cooper admitting that he was stationed in line on behalf of Messrs Sprinkell and Allan in the real estate business in Medicine Hat, and paid by them.

The Agent did not accept Sprinkell's application, but received it and placed it on file pending instructions. He also has received an application from Robert L. Aston for the same land.

Is Sprinkell's application to be disallowed; if so I suppose that of R. L. Aston will be accepted, provided it is there in due course.

Respectfully submitted.

do solemnly declare that I was at Medicine Hat on June 1st 1912, having been informed by some friend that there was a possibility of this land being opened for Entry on or about this date and my intention was to take up a Homestead & Pre-emption and do my duties thereon, On 31st May I accordingly took my place in line which was number Eight (8) from the door entrance. I found that there were men paid by the hour by Real Estate men of Medicine Hat to hold places a head & Keep back bona-fide settlers. That on the evening of the 31st of May 1912 at about 11 o'clock P.M. this Real Estate firm of Gaither & Co. Sir:-

Referring to your letter of instructions with reference to the W.½ of 10 and S.½ of 3--23--1 W. 4th M., I beg to say that I visited Medicine Hat on Wednesday, the 4th instant, and went into these cases fully.

I interviewed Mr. MacDonell, the Acting Agent, and looked over certain files and found that some two years ago, the Department had had trouble with the Real Estate firm of Messrs Sprinkell & Allan trafficking in homesteads.

I found that all the parties in connection with the entries in question were out on the land holding it down and I was unable to see any of them. However, affidavits from these men are already on file along with several others and I did not deem it necessary to secure further affidavits from them. There is no doubt in my mind that these Real Estate men have no intention of becoming bona fide settlers but are simply using this as a means of making money, while on the other hand, I am convinced that it is the intention of Messrs Robertson and Aston to become bona fide settlers.

I may say

MEMORANDUM.

Ottawa, 22nd September, 1912.

You requested these cases to be submitted to you after investigation:-

Certain lands were to be opened for entry at the Medicine Hat Agency on the 1st of June last.

Prospective homesteaders took up positions in front of the land office doors before: amongst others Messrs. Sprinkell and Allen, Real Estate Agents.

Messrs. Sprinkell and Allen were the first parties to enter the office. These applications were protested by one, Dr. W. Robinson of Alsask, on the ground that these men held positions outside of the office contrary to the Dominion Lands Regulations, and in paying men to hold their places in the line; also that they were not bona fide settlers.

The Agent did not accept Mr. Sprinkell's application but received it and placed the same on file pending instructions.

Mr. Sprinkell protested to Head office against the action of the Agent. He claimed in an affidavit supported by five others of the same nature, that he had done no more than other prospective applicants had done in the way of substituting in the line outside the land office before the same was opened and that such practice was a common one.

The affidavits referred to also maintain that Dr. Robinson, himself, had reported to the same practice to hold his position in the line.

The particular case now submitted in Mr. Hume's memorandum, hereunder, dated, on the 13th of June last.

By your direction, the Inspector of Dominion Lands Agencies was directed to investigate and report. This report is now submitted hereunder, in which the Inspector condemns the practice of the Real Estate men in question and although not going very fully into the merits of the case, recommends the rejection of Mr. Sprinkell's application as well as that of Mr. Allen's.

Mr. Sprinkell

J. A. Cote, Esq.,
Assistant Deputy Minister,
Department of the Interior.

A.H. 2687186.

21st October, 1912.

M E M O R A N D U M.

S.½ 3--23--1, West of 4th Mer.

This half section was thrown open for entry on the morning of the 1st of June, 1912, and the first applicant for the land was W.A.Sprinkell of the Real Estate firm of Sprinkell and Allan.

The Agent refused to grant Sprinkell entry on account of a protest lodged by Dr. Wm. Robertson who claimed that Sprinkell hired a man to hold a place in the line for him.

There is on file a declaration executed by Edward Cooper to the effect that he was stationed in line on behalf of Messrs. Sprinkell and Allan and that he was paid by them for this service.

The Agent received Sprinkell's application and placed it on file pending instructions; he also received an application for entry for the same land from Robert D. Aston, who was next in line.

Mr. H. G. Cuttle, Inspector of Dominion Lands Agencies, investigated this matter and in a report dated the 6th September, states that there seemed to be quite a strong feeling in Medicine Hat, against Real Estate men placing men in position at Land Offices.

The Inspector further states that there is no doubt in his mind that these Real Estate men have no intention of becoming bona fide settlers, but are using this as a means of making money, while on the other hand, he believes it is the intention of Mr. Aston to become a bona fide settler.

He therefore recommends that Mr. Aston be allowed to acquire entries for the half section in question.

If it is decided that hiring a man to hold a place in line, is not contrary to the regulations, and provided Mr. Sprinkell is eligible, there would seem to be no ground for refusing his application.

JHC.

Office of the Deputy Minister of the Interior,

Ottawa December 31st, 1912.

Memorandum:

Mr. Greenway:

Kindly note that the placing of a man in line by a real estate firm when lands are being made available for disposition cannot be permitted. Under these circumstances, kindly note that Mr. Robert D. Aston, and Mr. J. B. Robertson may be given permission to enter for the South ½ of section 3, township 23, range 1 West of the 4th and the West ½ of section 10, township 23, range 1 West of the 4th respectively, provided of course that their applications for entry are regular in all respects.

Referring to your files 1.331-2, 1.331-1.60, I am to say that after careful consideration of the matter, it has been decided, under the circumstances, that Mr. Robert A. Acton and Mr. J. A. The Tax Consolidation Board, hereby recommends that the sum of $328.54, be accepted in full settlement of all items claimed against the [illegible], C-27-1-1. All Mar., for advances made to T. D. Lodge.

The Board submits in support of this recommendation:

1. That at the time the advances were made the latter was employed by the Department of Municipal Affairs, Town Tax Investigation.

2. That the claim has been considered in the light of the said Land Tax Act, 1926, of Public Accounts, and that the items in the said claim represents [illegible] and that the price realized thereof.

3. That although the land is situate in the Village, same has been sold by the Department of Municipal Affairs under [illegible] of the Department upon which [illegible] claim is for items is not to be allowed from the [illegible] and it is therefore [illegible] the sale is confirmed.

Although this land is situated in the Tilley East Area it will be noted that sale was effected prior to the policy being adopted re restriction the alienation of lands, and as the sale price was insufficient to satisfy the Crown claims I would recommend that after first deducting the costs the balance be distributed on a pro rata basis between the following:-

The debtor, after abandoning this land, is reported to have left the country, and as there is no further security for these advances I would recommend that after the sums apportioned thereto from sale of this land have been credited the undermentioned balances, as at August 31st, 1936, be written off as uncollectable:-

The debtor abandoned this property some years ago with the result that same has passed to the Crown in the right of the Province.

On October 25th, 1926, the Taxing Authorities sold this quarter section at public auction for a sum of $560.00 on terms, the taxes outstanding at that time being $591.76, with an additional charge for costs in a sum of $26.40.

Chairman, Tax Consolidation Board.

The Honorable R. G. Reid,

The Tax Consolidation Board, hereby recommends that the sum of $336.84, be accepted in full settlement of all liens charged against the [illegible], 3-[illegible]-1-4, 4th Mer., for advances made to D. D. Smith.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the Matter was registered owner of said land but title has since passed to the Department of Municipal Affairs, under Tax Recovery Proceedings.

2. That the sheriff has been unsuccessful to date in the sale of said land for the sum of $600.00, this sale having been made in the year 1936, by Public Auction, and that the value realized for said land represents the full actual value thereof.

3. That although the land is situate in the Tisdale East Area the sale was made by the Department of Municipal Affairs prior to the completion of the improvement upon which value this land situate in this area is not to be adjusted from the Crown, and it is necessary therefore that the sale be confirmed.

4. That the various charges against the said land consist of:-

Local Improvements	606.57
Costs Sheriff	214.59
Total	$1,688.81

5. That it is proposed that the [illegible] be apportioned among the [illegible] as follows:-

Local Improvements	138.17
Costs	11.17
Total	$346.79

6. That the first [illegible] is paid by the [illegible] the amount apportioned to [illegible] is paid by each [illegible] share.

7. That the owner [illegible] has [illegible] left the Country, several years ago and all [illegible] lost, so there is no possibility of [illegible] the [illegible] covenant.

.....

5. That it is desirable that the price to be paid for said land be apportioned to the claims chargeable against same as follows:-

Costs of Sale	
Taxes	$ 26.40
Seed Grain	197.06
Joint Relief	285.17
Total	51.37
	$560.00

6. That the first charge against the price to be paid for said land be the amount apportioned to Joint Relief Liens.

7. That the debtor abandoned the land and left the Country, several years ago and all trace of him has been lost, so there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that upon payment by the Department of Municipal Affairs, out of the proceeds of the sale of said land, of one-half the amount apportioned to Joint Relief, under the terms of the Agreement now in effect, that all liens charged against the said land be discharged, and any balances remaining unpaid be written off as uncollectible.

Dear Sir;- Re; SE.3-23-1-4, R.D.Aston,
(Your Ref; 2687186.)

Replying to your inquiry of October 16th., 1930, I beg to inform you that the above land was sold in 1926, for the sum of $560.00 on the following terms: Cash $112.00, the balance payable in three annual instalments of $149.00 on October 25th.,1927 and 1928 and $150.00 on October 25th., 1929.

The Tax Collecting Authorities by whom the land was sold have advised me that the purchaser has been very unfortunate in the past three years in that he has suffered an almost total crop failure by reason of drought and hail. He is reported to be a conscientious reliable farmer, and the Department are desirous of allowing him to re-establish himself if at all possible and they have not therefore cancelled the sale contract although it has been badly violated.

The agreement for sale is still in effect, and the Department are allowing the purchaser another year's time in which to endeavour to complete his payments. There are, therefore, to be no funds available for at least one year.

Yours truly,

Re: Account of Robert D. Aston
S.E.¼ 3-23-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $113.27 were made to Robert D. Aston in 1920 and 1922 on the security of the above-mentioned land. Payments of $9.73 and $41.64 were collected by the Province in 1927 and 1952, respectively, and applied to the principal and interest. No payment has since been received and the present standing of this account is:-

Principal	Interest	Total
$71.63	$289.27	$360.90

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re: Account of Ashley Guyett
N.E.¼ 22-17-4-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $112.65 were made to Ashley Guyett in 1922 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$112.65	$323.33	$435.98

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

F. L. Stinson.

OTTAWA, 1st April, 1927.

Sir:

Replying to your letter of the 19th ultimo, requesting information respecting the present ownership and title to the N.½ of Section 22, Township 16, Range 2, West of the 4th Meridian, which you understand was owned by Mr. D. J. Kelly, I beg to inform you that, according to the records of the Department, the N.½ of Section 22, Township 16, Range 2, West of the 4th Meridian, was patented on the 5th February, 1918, to Arleigh Granville Conner, of Schuler, Alberta, and that this patent was forwarded to the Registrar, Land Titles Office, Calgary, under cover of my letter of the 7th March, 1918, and it does not appear that Mr. Kelly ever had any interest in or connection with this land.

It would appear, however, that the land you intended to enquire about is the N.E.¼ of Section 28, Township 16, Range 2, West of the 4th Meridian, as this quarter section was entered for as a homestead by Darby Downey Kelly on the 30th August, 1911. The patent for this land bearing date the 1st December, 1914, and which was issued in the name of Darby Downey Kelly was forwarded to the Registrar, Land Titles Office, Calgary, under cover of my letter dated the 2nd January, 1918. At that time Mr. Kelly's address was Schuler, Alberta.

Under date of the 17th May, 1912, the said Darby Downey Kelly obtained pre-emption entry for the N.½ of Section 27, Township 16, Range 2, West of the 4th Meridian....

I beg to acknowledge receipt of your letter of the 8th instant, with reference to the land above described. You request that you be advised regarding the seed grain liens charged against this land.

The records of this office show the North West quarter of Section 27, as patented to Darby Downey Kelly in the year 1918.

The North East quarter of Section 28, was patented to Darby Downey Kelly in the year 1914.

The first is the pre-emption entry, the North East quarter of Section 28, and a homestead.

There would appear to be no record of seed grain, fodder or relief indebtedness charged against the party referred to or against these lands.

Re: Account of Loren A. Gordon
No. 27-16-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $421.21 were made to Loren A. Gordon in 1920 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$421.21	$1,265.79	$1,687.00

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1956, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

OTTAWA, July 24th 1928

Sir,-

½ N.E. Sec. 17 Tp. 72 Rge. 3 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Douglas Charles Moorhouse, Esq.

Sir,-

N.W. ¼ Sec. 16 Tp. 23 Rge. 9 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Sir. Re S.E.¼ 16-23-9-W.4th M.

I have your letter of the 15th May last, with regard to your pre-emption entry for the quarter-section above mentioned, and in reply to say if you are not prepared to complete payment of the purchase price, a condition precedent to the issue of patent, your proper course is to abandon your entry, for which purpose I enclose herewith a blank form of declaration of abandonment which should be properly filled in and executed before a Justice of the Peace, Notary Public or Commissioner and forwarded to the Agent of Dominion Lands at Lethbridge for acceptance and transmission here when the necessary further action will be taken.

I may add, however, that you cannot be permitted to abandon the land other than unconditionally, that is to say, you can be given no prior right in the matter of re-entry therefor as a second homestead, but will require to take your chance in competition with other applicants, if any, when the land is posted.

I may further say that should you fail to take the required action within a period of thirty days from this date the Agent of Dominion Lands at Lethbridge, who is being furnished with a copy of this letter for his information and guidance, will institute cancellation proceedings with a view to cancellation of your entry and dispose of the land in accordance with the regulations.

Re: Account of Louis W. Bruce
S.E., 6-21-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $23.00 was made to Louis W. Bruce in 1922, on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$23.00	$65.70	$88.70

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

F. W. Stinson.

Sir,-

N.W. ¼ Sec. 12 Tp. 57 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

In regard to your late husband's soldier grant cancellation proceedings have been instituted by the Department against the entry above described for failure on the part of the entrant to apply for patent within five (5) years from date of entry.

No defence has been filed and the Inspector, in a recent report forwarded here by the Agent of Lethbridge, suggests that the Department write you in regard to your intentions concerning the above described quarter section. If you wish to hold the land, letters of administration should be taken out and forwarded to the Department and the necessary duties as required by the regulations should be performed.

I beg to acknowledge receipt of your letter of the 28th ultimo concerning the soldier grant entry of the late Wm. J. Besse for the above described quarter-section, and in reply to say that the responsibility of filing satisfactory application for patent rests with the next of kin.

I might state that according to the information on file the breaking has now gone to weeds and is valueless. It is not known whether sufficient has been done to place the legal representative in a position to apply for patent. If it is not your intention to earn patent it is desired that you advise the Agent of Dominion Lands at Lethbridge within thirty days from this date to that effect as you no doubt realise that the quarter-section cannot be held indefinitely.

The cancellation proceedings outstanding will be held over for the period mentioned to give you an opportunity to take some definite action in this matter.

Madam: Re -S.W. 9-23-9-W. 4th.

I am to inform you of a report from one of our Inspectors to the effect that it is the opinion of settlers in the district that the cultivation duties required by the terms of your late husband's Soldier Grant entry for the above land have been completed.

I am enclosing, herewith, a copy of a letter addressed to Mr. Trenholme Dickson, Official Guardian, Province of Alberta, and would suggest that you consult him in the matter of the administration of your late husband's estate.

In writing him you might, if possible, furnish the name of a neighbour who would be willing to act for the estate in submitting evidence of the completion of the cultivation duties and apply for the issue of Letters Patent in behalf of the estate.

The cancellation proceedings which were instituted against your late husband's Soldier Grant entry in December, 1926, will be held in abeyance for a period of 90 days to give the estate an opportunity of reporting to the Agent of Dominion Lands at Lethbridge whether an application for patent will be made for this land.

Madam,

S.W.¼ 9-23-9-W.4th Mer.,
Soldier Grant - Wm. J. Besse (dec'd).

I beg to acknowledge receipt of your letter of the 28th ultimo concerning the soldier grant entry of the late Wm. J. Besse for the above described quarter-section, and in reply to say that the responsibility of filing satisfactory application for patent rests with the next of kin.

I might state that according to the information on file the breaking has now gone to weeds and is valueless. It is not known whether sufficient has been done to place the legal representative in a position to apply for patent. If it is not your intention to earn patent it is desired that you advise the Agent of Dominion Lands at Lethbridge within thirty days from this date to that effect as you no doubt realize that the quarter-section cannot be held indefinitely.

The cancellation proceedings outstanding will be held over for the period mentioned to give you an opportunity to take some definite action in this matter.

I regret to inform you that there is no way in which the Department can assist you financially as requested.

Madam: Re -S.W. 9-23-9-W. 4th.

I am to inform you of a report from one of our Inspectors to the effect that it is the opinion of settlers in the district that the cultivation duties required by the terms of your late husband's Soldier Grant entry for the above land have been completed.

I am enclosing, herewith, a copy of a letter addressed to Mr. Trenholme Dickson, Official Guardian, Province of Alberta, and would suggest that you consult him in the matter of the administration of your late husband's estate.

In writing him you might, if possible, furnish the name of a neighbour who would be willing to act for the estate in submitting evidence of the completion of the cultivation duties and apply for the issue of Letters Patent in behalf of the estate.

The cancellation proceedings which were instituted against your late husband's Soldier Grant entry in December, 1926, will be held in abeyance for a period of 90 days to give the estate an opportunity of reporting to the Agent of Dominion Lands at Lethbridge whether an application for patent will be made for this land.

Your obedient servant,

Entry of Wm. J. Besse.

Mrs. Besse, the widow of the above settler wrote the Department in October, 1927, that her husband had died and had left her and her three small children penniless.

Our records show that Letters Patent for the homestead were issued bearing date of the 6th February, 1920, and that the Soldier Grant entry was made the subject of cancellation proceedings on the 9th December, 1926.

It would appear, however, that the cultivation duties required by the Soldier Grant entry were completed before the late Mr. Besse left the land in 1922. It further appears that Mr. Besse's marriage took place about the time he left the land and that his widow is unaware as to what settlement duties had been done.

If the cultivation duties have been completed as represented, a settler in the district could be appointed to act for the estate in making application for a Soldier Grant patent, and if the application were satisfactory, patent could be issued in the name of the administrator upon the receipt of Letters of Administration or in the name of the deceased entrant upon the receipt of an official certificate of death, and I would ask whether your Department could afford Mrs. Besse assistance in searching title to the patented homestead and if required, procuring Letters of Administration of the estate with a view to having patent for the Soldier Grant issued in the name of the administrator of the estate.

I will send Mrs. Besse a copy of this letter and advise her to consult you in the matter of the administration of the estate and it is possible that she

I have your letter of the 24th of July.

I have been corresponding with Mrs. Lesse about this matter. The information that I have is that the last two two quarters there are:

Seed Grain and Relief Liens amounting to.....	$220.00
Taxes against S. E. 9-24-3-4.....	257.68
Taxes against N. W. 4.....	17.04
	$494.72

According to value [illegible] I have obtained a fair cash price for the two quarters could be about $7[illegible]. Under these circumstances it will seem to me hardly worth while applying for Letters of Administration; in fact I have so advised Mrs. Lesse.

Dear Sir: Re: S. E. of 9-23-9-4, Soldier Grant,
J. J. Besse. Deceased. Our file 126200.

I beg to refer to your letter of the 3rd of January, 1929, addressed to Mr. J. R. Hammerford of Hanna, Alberta.

Mrs. Besse, the widow has been in communication with me with regard to the question of administration. Mrs. Besse is not financially in a position to take administration unless she can be assured beforehand that patent will issue on the improvements that have been already made as she is not able to make further improvements if the required duties have not already been performed. Your letter stated that an Inspector would visit the land. I would appreciate it very much if you would inform me what has been done or would you have it done at an early date.

In the letter to be from the Department of the Interior dated the 24th of July, 1929, it is stated that it would appear that the cultivation duties were completed before Mr. Besse left the land. I would be glad if your office would take as favourable a view as possible with regard to the duties performed for the assistance of the widow. Probably sufficient duties have been performed on the homestead to make up any deficiency on the Soldier Grant.

I beg to acknowledge receipt of your communication of the 28th ultimo and in reply am to state that from the evidence which is on file it would appear that the required duties in connection with this entry have been performed in a satisfactory manner. You would then be in a position to ascertain whether Mrs. Besse would be justified in filing Letters of Administration.

I might state that on a satisfactory application for patent being made patent, if desired, might issue in the name of the deceased entrant. Of course, Mrs. Besse would then have to establish claim to the land through the usual courts.

Madam:

I am in receipt of your communication of the 26th ultimo with regard to renting the above described land and in reply to say that the leasing of unpatented land is illegal and your request, therefore, cannot be granted.

I might point out, however, that from evidence on file it would appear that sufficient duties have been completed for the earning of title to this land and if an application for patent is made and evidence shows that duties have been completed, patent could issue in the name of the deceased husband on furnishing the Department with a Certificate of Death.

It would, therefore, be advisable for you to get in touch with some person who is acquainted as to the manner in which the required duties have been performed and if successful you will furnish the Agent of Dominion Lands at Lethbridge with his name and address, the Agent will have one of our Inspectors call on him and accept his application for patent.

NOTE—KINDLY FOLLOW INSTRUCTIONS ON BACK

(A Commissioner for taking Oaths, etc.)

When completed this form, in triplicate, should be sent to the Deputy Minister of Municipal Affairs of your Province, who will send two copies to the Controller of Revenue, Department of the Interior, Ottawa.

All liens against unpatented Dominion lands must be taken in triplicate. The full name of the applicant and correct post office should be given.

Care must be taken that the description of the applicant's unpatented land is correct.

Where the applicant is the holder of unpatented Dominion land and is also the registered owner of patented land, you will correctly describe in the space provided the patented land, of which he is the registered owner.

All advances for fodder and relief in cases where a man holds both patented and unpatented lands become a charge and will be registered against both his patented and unpatented lands. It is, therefore, necessary to exercise the greatest care in describing the lands.

It is essential that you send these liens forms, when completed, at once, and not hold same in your office.

FILE 27[illegible]

Ottawa, 4th October, 1943.

K. E. Daly, Esq., Senior Solicitor.

Re - 1920 Seed Grain Account,
Kasper Kulyk,
NE¼ 10-24-6-[illegible].4th Mer.
SE¼ 15-24-6-[illegible].4th Mer.

In 1920 this Department advanced Kasper Kulyk seed grain amounting to $259.23, taking as security a lien against his homestead entry, NE¼ 10-24-6-[illegible].4th. Patent issued in September, 1920, subject to the Dominion lien for $259.23, and a joint relief lien for $41.05. On July 23rd, 1928, he applied for authority to file on a second homestead, and on the 24th idem was wired as follows:-

"Provided you have not homesteaded since obtaining patent for North East ten twenty-four six west fourth any Agent will on surrender of this telegram grant you second homestead for an available quarter section on ordinary terms subject to your seed grain indebtedness if any."

On July 25th, 1928, he was granted second homestead entry for the SE¼ 15-24-6-[illegible].4th. Please note this correspondence is recorded on the Agency file transferred to the Province.

We were recently instructed to issue certificates covering Dominion liens charged against lands unpatented when the resources were transferred and forward same to the Registrar of Land Titles for registration. In this case a certificate in the name of Kasper Kulyk, SE¼ 15-24-6-[illegible].4th, covering the 1920 Federal lien for $259.23, was sent the Registrar of Land Titles on the 19th May. It was returned on the 29th by the Registrar, who stated -

"No Certificates of Title have yet issued for the balance of the lands, and if a grant is made to a person other than that set out in your list the said lien will, of course, not attach. I think it would be well if you submitted the whole question to the Department of Lands and Mines at Edmonton, before any further step is taken."

It has since been learned that the entry of Kasper Kulyk for the SE¼ 15-24-6-[illegible].4th, has been cancelled and the land is vacant.

(Over)

It would seem from the Registrar's remarks that where the land has not yet been patented and certificates of indebtedness are filed with him prior to the issue of patent, that the same would be registered provided patent issues in the name of the party mentioned in the certificate.

In the case of Anton Kulyk, NE 13-24-5-W.3rd, file 2830344, title had issued sometime prior to the certificate being sent, and although the land still stood in the name of the lessee, the Registrar did not register.

Re: Account of Kasper Kulyk,
S.E.¼ 10-24-6-W4.

Dear Sir:

During the year 1920 while homesteading the above mentioned land, Mr. Kasper Kulyk received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $837.60 of which $239.23 is principal and $598.37 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

Dear Sir:

RE: Account of Kasper Kulyk
N.E. ¼ 10-24-6-W.4th

In a letter dated February 15, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Kasper Kulyk by the Federal Government in the year 1920. The amount outstanding is $837.60 of which $239.23 is principal and $598.37 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Re: Account of Kasper Kulyk

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $239.23 was advanced to Kasper Kulyk on the security of the above-mentioned land. A payment of $3.20 was received in 1929, and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$239.23	$673.75	$912.98

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

While the lien for $105.00 dated the 5th April, 1920, was given against the S.½ 36-22-6 W.4th, which accounts for its registration against the S.E.36-22-6 W.4th, the chattel mortgage accompanying it states that the Chattels are situate on the W.½ 36-22-6 W.4th, so that there would appear to be a possibility of error in the description on the lien, particularly as J. S. Judson gave liens for fodder and relief against the S.E.36 in the same year.

S.W.36-22-6 W.4th.

This is the homestead of Cuthbert B. Howe, patented in his name on the 1st May, 1917. There is no description of the land on file, but in 1927, the improvements were given as a log house, $500.00, stable, $100, grunary, $100.00, 150 acres broken.

N.W.36-22-6 W.4th.

This is the pre-emption of Cuthbert B. Howe, on which there was due for purchaseprice as on the 1st November, 1928, $753.75. It is described as clay loam with clay subsoil, 150 acres fit for cultivation, improvements, 150 acres broken, fencing, $50.00.

The fodder lien registered as security for the advance made to C.E.Howe is also registered against the W½ 36-22-6-4 together with a number of other advances made to this man. Of this land the SW¼ carries a prior mortgage to the Netherlands Investment Company whilst the NW¼ is unpatented preemption, and until some disposition has been made of these properties, I would recommend that the balance due under the said fodder lien be registered against the same.

The Dominion liens registered against the SE¼ 36-22-6-4 and which will required to be removed are as follows:-

Seed Grain Bond F.S.Judson to Crown	12/3/15	$ 12.24)	Reg. as

Yours truly,

WH/MMc.

of $480.00 on terms which amount is reported to represent the fair sale value of the property situated as it is in a very dry district just North of the Tilley East Area.

The Taxing Authorities advise that in addition to the above claims there are taxes outstanding in an amount of $297.89 with a further charge for costs incurred in filing caveat etc., in the amount of $18.00 and they have requested an adjustment of these liens in order to be in a position to proceed with sale.

Since the sale price is insufficient to satisfy the above claims, I would recommend that after first deducting the costs the balance of the proceeds of sale be distributed on a pro rata basis between the following:-

Taxes		$297.89
Dominion liens		186.30
Prov.Seed Grain	(F.S.Judson)	1281.18
Joint Relief	do	244.05
" "	(C.B.Howe)	166.79

which will result in an apportionment of the total sale price as follows:-

Costs		$ 18.00	
Taxes		63.24	
Dominion Liens		39.55	
Prov.Seed Grain	(F.S.Judson)	271.99	
Joint Relief	do	51.81	
" "	(C.B.Howe)	35.41	$480.00

It is also recommended that the amount apportioned to the Dominion liens be paid from the first proceeds of sale after costs have been taken care of, and that when the Dominion Government duly receives the sum of $39.55 all Dominion liens be removed from title to the SE. 36-22-6-4; likewise that when the sums apportioned to the Provincial and Joint Relief have been duly credited all these encumbrances also be removed from title to this property.

There is no record of any further land security in respect of the F.S.Judson account, but as he is reported to be still farming in the Province in the vicinity of Carstairs, I am not prepared to recommend any write off until it has been ascertained whether he is in a position to make payment under his personal covenant.

The Tax Consolidation Board, hereby recommends that the price to be received by the Department of Municipal Affairs, $480.00, for the S.E.¼, 36-22-6-W. 4th Mer., be apportioned to the charges, Taxes and Liens, for advances made to F. S. Judson and C. B. Howe, as follows:-

Costs of sale	$ 18.00

Total	$480.00

The Board further recommends that the amount apportioned to Dominion Liens, and one-half the amount apportioned to Joint Relief Liens, be remitted to Ottawa, Under the terms of the Agreement now in effect, when payment is made by the purchaser of the said land, and that these apportionments have priority.

The Board understands that the advances made to C. B. Howe, also form a charge against the W. ½, 36-22-6-W. 4th Mer., and it is hereby recommended that after giving effect to said adjustment, any balances remaining unpaid by the debtor C. B. Howe, be retained as a charge against this half section, until such time as application for adjustment is [illegible] further recommendation is submitted in connection therewith.

The Board therefore recommends that as the debtors F. S. Judson and C. B. Howe, are still residing in the Province, and carrying on farming operations, that after giving effect to the said adjustment, any balances remaining unpaid upon their respective accounts be held against the debtors personally, and that an effort be made to collect the amounts due from these debtors under their personal covenants.

Honorable R.C.Reid,
Prov. Treasurer,
Govt. Buildings, Edmonton,

4. That it is desirable that the price to be paid for the said land be apportioned among the said claims as follows:-

Dom. Ls.	39.55
Prov. Seed Gr. Ls.	271.99
Joint Rel. Ls.	87.22
Total	$480.00

5. That the first charge upon the purchase price be the amount apportioned to Dominion Liens, to be followed by the amount apportioned to Joint Relief Liens.

6. That prior to the advances being made the debtor, C. B. Howe, mortgaged the S.W.¼, 36-22-6-W. 4th Mer., to the Netherlands Investment Company, but that the land is still registered in the name of the debtor.

7. That the N.W.¼, 36-22-6-W. 4th Mer., is the unpatented pre-emption of the debtor C. B. Howe, which is still in his possession.

8. That the debtor F. S. Judson, is still farming in the Province and should be in a position to provide for his liability.

9. That the debtor C. B. Howe, is still farming in the Province and should be required to provide for his liability.

The Board therefore recommends that upon payment of the amount apportioned to Dominion Liens, and one-half the amount apportioned to Joint Relief Liens, under the terms of the Agreement now in effect, all liens charged against the S.E.¼, 36-22-6-W. 4th Mer., be discharged, and any balances remaining unpaid be written off in so far as said land only is concerned.

The Board further recommends that any liens chargeable to the debtor C. B. Howe, be retained as a charge against the W.½, 36-22-6-W. 4th Mer., until application is made for an adjustment and a recommendation is submitted in connection therewith.

The Board further recommends that after giving effect to the said adjustment, any balances remaining unpaid be retained against the debtor F. S. Judson, and C. B. S.E.¼ 36-22-6-W. 4th M.

The indebtedness in this case having received the investigation of the Seed Grain Adjustment Board of Alberta who recommend that the indebtedness be released from the S.E.¼ 36 on payment of $39.55 to the Dominion liens, $51.81 to the fifty-fifty indebtedness of F.S. Judson, $25.41 to the fifty-fifty indebtedness of C.B. Howe and the balance to be retained as a charge against the S.E.¼ 36, and against the lienee under his personal covenant.

The Board therefore recommend that upon payment of the amount apportioned to the Dominion liens and half the amount apportioned to the Joint Relief liens under the terms of the Agreement now in effect, all liens charged against the S.E.¼ 36 be discharged and the balance remaining unpaid be written off in so far as this land is concerned.

The Board further recommends that the liens chargeable to the debtor C.B. Howe be retained as a charge against the S.E.¼ 36 until application is made for an adjustment and a recommendation is submitted in connection therewith.

The Board further recommends that after giving effect to the said adjustment and the balance remaining unpaid be retained as a charge against the debtors F.S. Judson and C.B. Howe in so far as their respective interests are concerned and that an effort be made to collect the balance payable thereon from them under their personal covenants.

Order in Council P.C. 492/607, dated 26th March, 1930, authorizing the acceptance of the above.

Payment should be made as set forth in circular letter of which you were previously advised.

RECORDS
Dept. of Mines and Resources

As set out in the previous Board Order there is no record of any further land security for these advances. The balance outstanding was to be retained against the debtor under his personal covenant as he was in 1929 endeavouring to re-establish himself in another territory. He has long since been lost sight of and there is accordingly now no possibility of obtaining repayment from him.

As no security of value remains and as collection cannot be made from the individual I would recommend that the balance outstanding be written off and the liens discharged.

Provincial Seed Grain Advances of one thousand, three hundred and forty-three dollars and nineteen cents ($1,343.19) have already been cancelled.

Yours very truly,

CHIEF COLLECTOR.

Re: F. S. Judson. Dominion &
Joint Relief Advances. SE 36-22-6-4
Supplementary to Board Order 1973.

The above Board Order dealt with the Dominion and Joint Relief Advances obtained by F. S. Judson which were secured by a lien on the title to the above land. This land was sold under the provisions of the Tax Recovery Act and the proceeds of the sale were distributed on a pro-rata basis providing for thirty-nine dollars and fifty-five cents ($39.55) to be applied on the Dominion Advances and fifty-one dollars and eighty-one cents ($51.81) on the Joint Relief Advances obtained by the above mentioned individual. Sufficient monies were realized from the sale to satisfy the amount allotted to the Dominion liens but only two dollars and fourteen cents ($2.14) was received for application on the Joint Relief Advances.

The purchaser was unable to complete the payments called for under the agreement for sale and the land was quit claimed by him in 1933. No further sale materialized of this property and when the Special Areas were set up this land was transferred to the Special Areas Board for administration and remains under that Board's administration. The policy of that Board is to hold the lands in Special Areas available for lease only and due to the climatic conditions existing in that area only a very small income is received, insufficient to provide for any recovery on these advances.

last Wodon Malyk of Buffalo, Alta., obtained entry for this quarter as a second homestead, executing the customary agreement to assume the seed grain and relief liability, with a proviso for an adjustment, and paying at that time the sum of $20.00 on account, which amount is held in "Suspense account." According to a report obtained in August, 1927, the soil was sandy with sandy subsoil, no area fit for cultivation, no buildings, no fencing, cultivation gone to weeds and grass; land stated to be more or less all stony and the soil very light and sandy and unfit for agricultural purposes or stock homestead; recommended for grazing only.

S.½.31-22-6-W.4th.

The patent to this land issued in the name of James Findlay on the 22nd May, 1917, and there is no indication on file that the Alcock had any equitable interest therein. In his liens it was described as rented land.

Total indebtedness to be retained against the lienee. S.E.¼ 3 and S.E.¼ 31 to be unconditionally released.

No. 8351

212-C-2.
T-C-176.

May 11th, 1944.

Mr. A. Coutter,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: S½ 3-23-6-West 4th Meridian.
S. E. 31-22-5-West 4th Meridian.
Joint Relief - Joseph L. Callaghan.
Supplementary to Board Order No. 1749.

The above party obtained Joint Relief Advances, making considerable payments thereon as indicated by the following statement.

Relief:

January 31st, 1932	$ 29.65	
April 14, 1932	18.25	
		$ 47.90
Interest to Mar. 31, 1932 ...	30.32	
		$ 78.22
Repayment	45.00	
		$ 33.22

Under Board Order 1749 it was provided that the liens be released from the S½ 3-23-6-4, there being no liens appearing on the title to the S. E. 31-22-5-4, as it was anticipated that the debtor would be in a position to eventually repay his indebtedness.

The present whereabouts of the debtor is unknown and as there is now no possibility of obtaining a repayment under the personal covenant I would recommend that the balance of this account be written off.

Yours very truly,

CHIEF COLLECTOR.

Mr. A. Soutter,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: Sl 3-23-6-West 4th Meridian.
S. E. 31-22-5-West 4th Meridian.
Joint Relief - Joseph L. Callaghan.
Supplementary to Board Order No. 1749.

The above party obtained Joint Relief Advances, making considerable payments thereon as indicated by the following statement.

Relief:		
January 31st, 1922		29.65
April 14, 1922		18.25
		$ 47.90 ✓
Interest to Mar. 31, 1932 ...		30.32
		$ 78.22
Repayment		45.00 ✓
		$ 33.22

Under Board Order 1749 it was provided that the liens be released from the Sl 3-23-6-4, there being no liens appearing on the title to the S. E. 31-22-5-4, as it was anticipated that the debtor would be in a position to eventually repay his indebtedness.

The present whereabouts of the debtor is unknown and as there is now no possibility of obtaining a repayment under the personal covenant I would recommend that the balance of this account be written off.

Yours very truly,
W. Hewitt C.C.
CHIEF COLLECTOR.

Sir,

Re S.E.¼ 35-23-6 W. 4th M.

It has been represented to the Department that you have removed to your pre-emption a lumber house, 16x18 valued at $50.00 from the North-east quarter of Section 26, Township 23, Range 6, West of the 4th Meridian, formerly the homestead of William E. Demmer. The Dominion Lands Inspector who reported the matter states that the reason given for your action is that you thought the building would be destroyed by stock.

In this connection I am to inform you that improvements on vacant Dominion Lands are the property of the Crown. Under the circumstances it will be necessary for you to tender payment of the price of the building to the Department and a period of thirty days from this date will be allowed you within which to state your intentions.

Provided you furnish the necessary assurance regarding your liability in this connection, the question of an extension of time will be considered if you are not in a position at present to make the required payment.

Sir:

S.E.¼ 35-23-6 W. 4th M.

The Agent of Dominion Lands at Lethbridge has referred here your statutory declaration of the 30th July last, in reference to duties performed in connection with your pre-emption entry for the quarter section above mentioned.

Judging from the evidence submitted, it would appear that you have completed the settlement duties requisite for obtaining patent, and under the circumstances it has been decided to allow you until the 1st November next within which to make application for patent before the local Agent or a Homestead Inspector.

Provided you are not in a position next autumn to make a substantial payment on account of the purchase price, you may make application for a Certificate of Recommendation in conjunction with your application for patent, under and by virtue of which you will be enabled to mortgage, assign or transfer your interest in the land prior to the issue of patent, and in that manner raise the necessary funds with which to discharge your indebtedness.

Please note that failure on your part to comply with the foregoing instructions will probably result in the institution of cancellation proceedings.

Memorandum:

Mr. Hume

N.E.¼ 26-23-6 W. 4th M.
Apparently vacant.

The land in question was posted for ordinary settlement on the 25th July last.

Homestead Inspector Nurcombe in a report dated the 1st May, 1924, stated that Mr. Stefen Kulyk of the South East quarter of Section 35, Township 23, Range 6, West 4th Meridian, removed the house from the former mentioned parcel of land to his own land, the reason given was that he thought the cattle would break same to pieces; value of house $50.00.

Mr. Kulyk was advised from this office on the 8th ultimo that it had been represented that he removed the house in question; that improvements on vacant Dominion lands were the property of the Crown, and under the circumstances it would be necessary for him to tender payment of the price of the building to the Department and a period of thirty days from that date was allowed him within which to state his intentions; that provided he furnished the necessary assurance regarding his liability in this connection, the question of an extension of time would be considered if he was not in a position to make the required payment.

A letter has now been received from Mr. Kulyk in which he states that he is willing to pay $50.00 for the house in question, but owing to poor crops this year he is not able to pay at the present time; that if the Department would wait for the money until next fall he would be much obliged and would try to pay by that time.

In view of Mr. Kulyk's representations please say if he is to be granted an extension of time until the fall of 1925 within which to pay for the house.

such poor house in this Department could

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ 75.00

PAYMENT FOR IMPROVEMENTS.

Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land: $ 539.75 & Int and the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

No Soldier Grant Entry shall be made to any settler who,—

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Mr. E.M. Medlen,

Re: Account of Stefan Kulyk,
E.½ 35-23-6-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to $407.00 was advanced to Stefan Kulyk on the security of the above mentioned land. A payment of $25.00 was received in 1925 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 407.00	$ 924.91	$ 1,331.91

Patent was issued in the name of Stefan Kulyk for the N.E. ¼ 35-23-6-W.4th on the 29th of March, 1921, subject to the 1919 and 1920 liens. The S.E. 35-23-6-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 17th of November, 1926, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This is unalienated Crown land occupied at present under grazing lease as issued by this Department. This land is situated in that part of the Province designated Special Areas in view of which fact there is little likelihood of sale ever being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Re: Account of Kasper Kulyk,
N.E.¼ 10-24-6-W4.

Dear Sir:

During the year 1920 while homesteading the above mentioned land, Mr. Kasper Kulyk received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $837.60 of which $239.23 is principal and $598.37 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

RE: Account of Kasper Kulyk
N.E. ¼ 10-24-6-W.4th

In a letter dated February 15, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Kasper Kulyk by the Federal Government in the year 1920. The amount outstanding is $837.60 of which $239.23 is principal and $598.37 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. Re: Account of Kasper Kulyk

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $239.23 was advanced to Kasper Kulyk on the security of the above-mentioned land. A payment of $3.20 was received in 1929, and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$239.23	$673.75	$912.98

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

A/DEPUTY MINISTER

TO

M.A. HUME

S.W. 17-12-3 W 4th M.
Homestead of Clyde S. Dorsey.
Entry granted 9th September 1914.

Cancellation proceedings were instituted against this entry on the 30th November 1915 on behalf of A.R. Sherman. The entry and in his defence claims residence on each of these years and 11 acres broken and cropped in 1914 and 1915.

Homestead Inspector's report dated the 4th of June last shows only six months residence in 1913 and forty acres broken and cropped in 1912 and 13.

On the 19th of August last, he was allowed a period of 30 days within which to resume residence and cultivation and since that time Agent at Lethbridge has reported that he has not done so.

Under these circumstances I think no action should be taken in this case.

Date of entry

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on the ground of failure to apply for patent and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the Inspector's report shows no duties performed, you may at the end of the sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the Inspector's report shows any duties performed, you should refer here before cancelling.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspectors should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way under entry to soldiers, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form issued by you should be sent here to complete local office record.

Your obedient servant,

The Agent of Dominion Lands,

Assistant Secretary.

Sir:

I am in receipt of your letter of 21st December last relative to a communication you had received from Mr. F. C. McLean, Barrister of Oyen, Alberta, in which it is represented by Alphonse Finnerty of Cappon, Alberta, the registered owner of the land above described, relative to certain liens appearing on his duplicate Certificate of Title in error, stating that he received no Seed Grain or Relief.

In this connection I might say that Alphonse Finnerty who obtained Patent for this land dated 2nd September, 1919, it is noted, on comparison of signatures, is evidently the same person who made application for Relief on 30th January, 1915, before Commissioner of Oaths, B. H. Dial at Oyen.

The liens, I might say, are respectively signed as "Alf Finnerty" and "Alfred Finnerty", and there would appear little doubt on comparison, that these signatures are of one and the same party.

You might, therefore accordingly communicate with Mr. McLean to the effect that it is to be hoped it will not be necessary for the Department to be put to the expense of having this matter further investigated.

Sir,-

N.W. ¼ Sec. 16 Tp. 25 Rge. 4 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Alphonse Finnerty, Esq.,

Re: Account of Alphonse Finnerty
N.W.¼ 16-25-4-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $174.15 were advanced to Alphonse Finnerty on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$174.15	$353.97	$528.12

Patent was issued in the name of Alphonse Finnerty for the N.W.¼ 16-25-4-W.4th on the 2nd of September, 1919, subject to the 1915 liens.

This quarter-section is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens.

In reply to our questionnaire of the 27th of June, 1952, Mr. J. Thomson of the Special Areas Branch, Department of Municipal Affairs, Province of Alberta, advised us that this quarter-section was only assessed for $240.00 and that there was an accumulation of $381.97 arrears of taxes outstanding against the land.

According to an Abstract of Title dated the 25th of January, 1956, title to this quarter-section of land now stands in the name of Her Majesty the Queen in the Right of the Province of Alberta, as represented by the Minister of Municipal Affairs.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Mr. J. H. Bradford, Jr., obtained entry as a homestead and pre-emption for the N.½ of 36-34-2-W.-4th-Meridian. He now claims that these entries were given in error as it was his intention to make entry for the corresponding lands in Range 3, not in Range 2. He supports his contention by saying that it was his desire to locate beside his father, and as his father's land is situated in Range 3, it would appear that the young man's claim might receive favorable consideration provided the lands are still vacant and available.

RE SEED GRAIN

Sir:-

In reply to enquiry regarding seed grain, I have to imform you that it is noped that settlers will be able to provide themselves with seed tnis year without looking to the Dominion Government for nelp. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work, a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders, and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land, and in destitute circumstances, or who has lost his crop lastyear by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acreage already under cultivation, and not more than 150 bushels of grain to any person.

3. All applications, before receiving any consideration from this office, will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. Tnis certificate to show that the land described was fyled upon by the applicant, is in good standing and patent not issued.

4. Provided seed grain can be purchased locally by applicants, it is not the intention of tnis department to ship any seed from outside points. Applicants should give name and address of the party, or parties from whom the seed they require can be purchased, and state the price per bushel, the Department to pay for the seed after the liens and all papers are properly completed and approved.

5. If the applicant receives favourable consideration, an official order will be issued from tnis office, accompanied by liens. The party to whom tnis order is made out, will supply to the settler the amount of seed stated thereon, after the lien has been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and the receipt for the grain, together with executed liens in duplicate, and send same immediately to this office. After all papers so received are found to be properly completed, a departmental cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. All settlers on patented land must apply to the Secretary-Treasurer of their Municipality.

8. Any applicant securing seed grain from this Department through any misrepresentation will be severely delt with.

Enclosed please find application blank.

— Dear Sir

It's quite right I promised the Homestead Inspector a payment in March but since then I have been Garnisheed with judgments against me

One case was for a horse which I had only been able to pay $20.00 in over 5 years having a balance with interest of $170.00. He agreed to save taking me to court to accept $120.00 in full payment

My store bill had been owing over 5 years He knocked off $100.00 interest if I would pay it to save taking me to court

Had to borrow a bit on my pool tickets to help meet these to keep my credit on good standing

I am worried at not being able to keep my promise with you

As I am getting on in years & trying to make this my permanent home; having planted trees around my house & dug millions of rocks off the land This year leaves me clear of Machinery, Horses, Stores, & Bank debts.

I hope you wont cancel me I hope now to soon have my pre-emption & Mortgage clear & Deed from

Canada one day will be pleased to have met me

In connection with a general check of all old entries, it is observed that no recent report has been received from a Homestead Inspector in connection with this case.

If you have not recently received such a report, kindly have a Homestead Inspector when in the vicinity of this land on collection work furnish a report which should be complete in every detail and of such a nature that the Department will be in a position to decide whether this entry should be cancelled, or whether an extension of time should be allowed within which to pay the purchase price.

It is expected that the usual effort will be made by the Inspector to collect, where conditions warrant, at least a substantial payment on account.

I beg to enclose herewith Homestead Inspector Kembry's report on the seed grain indebtness of J.H.Bradford. The Inspector apparently considers that special action will be necessary in this case, although he has not made a definite recommendation.

A copy of the report and a copy of Bradford's letter of the 26th Novemberlast, which has already been sent to the Department, are being forwarded to Mr. J.W.Martin, Acting Superintendent of Western Agencies.

It will be noted that Bradshaw promised a payment of $200.00, and it is presumed that if the payment is made he will desire part of it applied on his seed grain debt and part on his pre-emption indebtedness. Ref. #2805571.

Sir:

I am in receipt of your letter of 16th ultimo with accompanying report of Homestead Inspector Kembry. The report in question, beyond stating that Mr. Bradford had a fairly good crop, gives no idea of its proportions.

The interpretation drawn from Mr. Bradford's communication of 26th November last is that his intention was to make a payment to the Dominion Government out of crop returns of about $200.00, intimating that he had a threshing bill, store bill etc., to meet. It is, therefore, assumed that a comparatively small amount would be available for remittance after payment of these debts out of the $200.00.

It is essential, therefore, that your Homestead Inspectors' reports should contain more definite information as to the amount of the probable yield.

With reference to the Departmental letter of the 1st instant, I beg to say that I have communicated with Homestead Inspector Kenbry, requesting that more detailed information be furnished as to the crop of the seed grain debtor, J. T. Bradford, harvested last season.

I am inclined to think the Department has placed a wrong interpretation on Mr. Bradford's letter of the 30th of November last, concerning the amount of the proposed payment. I would consider that the crop proceeds from his crop would be in excess of $200.00, as Homestead Inspector Kenbry in his report concerning the pre-emption indebtedness stated that 70 acres were in crop in 1917. I take the meaning from Mr. Bradford's letter that when he wrote it he intended to make a payment amounting to $200.00, and it is presumed this payment, if made, will be applied on both the seed grain and pre-emption indebtedness. aof.205571 .

Dear Sir,- Re N.E. 1--35--3, W. 4th M.
Pre-emption - J. H. Bradford.

The above pre-emptor is enquiring through the Provincial Department of Agriculture with respect to an extension of time until after harvest for payment of his indebtedness.

I would be pleased if you would write Mr. Bradford assuring him that no pressure will be brought to bear with a view to collection at the present time, but that it is expected that every effort will be made in the way of payment from this year's crop both on behalf of the Seed Grain indebtedness and with respect to his pre-emption purchase indebtedness.

It might be well also, to place the matter in the hands of your Inspector for investigation and report as to what operations are being carried on; what the crop condition is this season and what the prospect will be of payment on these accounts.

I will be pleased to hear from you in this regard at a reasonably early date.

Yours sincerely,

Asst. Commissioner of Dom. Lands.

Sir,-

Re. S.½ 35-23-6-W.4th Mer.

A [illegible] letter addressed to this office recently called attention to your Seed Grain indebtedness registered against the above land and also with reference to the payments outstanding on your pre-emption.

In view of the information contained in his report, it has been decided to grant you an extension of time to the 1st of November, 1924 within which to make payment of your outstanding Seed Grain indebtedness. This extension has been granted on the distinct understanding that a substantial payment will be made on that date and should you in the meantime be in a position to reduce your indebtedness, it is expected that you will do so.

Your pre-emption entry for the above land has been standing since May, 1917, and I am to ask that you report to the Agent of Dominion Lands at Lethbridge, within thirty days from the date of this letter, what progress has been made with the performance of settlement duties since the date of your application for homestead patent, June, 1920. Sir:

S.E.¼ [illegible]-6 W. 4th M.

The Agent of Dominion Lands at Lethbridge has referred here your statutory declaration of the 30th July last, in reference to duties performed in connection with your pre-emption entry for the quarter section above mentioned.

Judging from the evidence submitted, it would appear that you have completed the settlement duties requisite for obtaining patent, and under the circumstances it has been decided to allow you until the 1st November next within which to make application for patent before the local Agent or a Homestead Inspector.

Provided you are not in a position next autumn to make a substantial payment on account of the purchase price, you may make application for a Certificate of Recommendation in conjunction with your application for patent, under and by virtue of which you will be enabled to mortgage, assign or transfer your interest in the land prior to the issue of patent, and in that manner raise the necessary funds with which to discharge your indebtedness.

Please note that failure on your part to comply with the foregoing instructions will probably result in the institution of cancellation proceedings.

Re: Account of Stefan Kulyk,
N.E. 35-23-6-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to $407.00 was advanced to Stefan Kulyk on the security of the above mentioned land. A payment of $25.00 was received in 1925 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 407.00	$ 924.91	$ 1,331.91

Patent was issued in the name of Stefan Kulyk for the N.E. 3 5-23-6-W.4th on the 29th of March, 1921, subject to the 1919 and 1920 liens. The S.E. 35-23-6-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 17th of November, 1926, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This is unalienated Crown land occupied at present under grazing lease as issued by this Department. This land is situated in that part of the Province designated Special Areas in view of which fact there is little likelihood of sale ever being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir:-

Re. E.½ 35-23-6 W. 4.

I beg to send you herewith, duly executed, a notice authorizing and requesting you to remove from all the records of your office and the title to the above described land the liens for $51.50, $26.25, $55.00, $163.00, $244.00, covering advance made to Stefan Kulyk.

This notice is issued under the authority of an Order in Council of the 21st January, 1954, P.C. 24-77, a copy of which is attached thereto, passed under and by virtue of the provisions of Section 1 of the Act 17, George V, Chapter 51.

File 2745396 relating to this land, pending settlement or discharge of these accounts. In 1944, this situation was brought to the attention of the Department of Municipal Affairs, Edmonton, but there was no apparent follow-up and the accounts have been held in abeyance as deferred claims.

In 1953, when we cancelled the Federal liens, it was noted that the E.½ of Section 35 was in a portion of the Province designated as a "Special Area", and had apparently reverted to the status of provincial Crown land. It would appear that title to the Northeast Quarter, which had been patented to Mr. Kulyk in 1921, must have passed to the Province in the interim, and all of the lands concerned were being administered by the Department of Municipal Affairs for grazing lease purposes. It is unfortunate that the Joint Seed Grain Accounts were not disposed of in conjunction with the Federal liens, but they were apparently overlooked, and still remain as a charge on our books. However, it would be a relatively simple matter to have a joint submission prepared by the Seed Grain Advisory Board, recommending cancellation of these accounts, and I would suggest that you take this matter up with Mr. A.R. Duff, Chief Collector of the Department of Municipal Affairs. In all probability, the status of the lands will not have changed since 1953, and it may also be found that the Joint liens were never registered or were deleted when the property reverted to the Province.

As soon as the Seed Grain problem has been dealt with, both of the files will be available for transfer to your Department. Meanwhile, we would be pleased to furnish you with any available specific information required for your purposes, on request.

Yours very truly,

A. T. Davidson,

Dear Mr. Kenway,

S.E.¼ 35-23-6-W.4th Meridian,
Alberta - Szczepan (Stefan) Kulyk.

I have your letter of the 29th of May, 1959, requesting information concerning Department of the Interior File No: 2819049, relating to the homestead entry of Stefan Kulyk for the above-mentioned land.

This file was withheld from transfer to your Department, as all of the Seed Grain, Fodder and Relief accounts, charged against the land in the name of Stefan Kulyk, have not been closed out. The Federal Seed Grain accounts, amounting to $1,331.91 in principal and interest, were cancelled by Order-in-Council P.C. 24-77, dated the 21st of January, 1954, and our liens were discharged. However, the following Joint Federal-Provincial accounts were still recorded as charges against the land, and, to the best of our knowledge, have never been released:

1. 5th December, 1919 - Relief - $51.50 & interest.
2. 21st April, 1920 - Seed Grain - $26.25 & interest.
3. 4th April, 1922 - Seed Grain - $55.00 & interest.

These liens were also charged against the S.E.¼ of Section 35, which was Mr. Kulyk's pre-emption entry until cancelled on the 17th of November, 1926, and we still hold

N.E. ¼ Sec. 36 Tp. 16 Rge. 1 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re: Account of Valentine Rieter,
N.E.¼ 36-16-1-W4.

Dear Sir:

During the year 1919 while homesteading the above mentioned land, Mr. Valentine Rieter received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $336.08 of which $112.51 is principal and $223.57 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Valentine Rieter
N.E.¼ 36-16-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $154.50 was advanced to Valentine Rieter on the security of the above-mentioned land. Payments of $1.60 and $133.25 were received in 1926 and 1927, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$112.51	$259.03	$371.54

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

RETURNED

HOUSE OF COMMONS [illegible] April, 1962.

[illegible]

SEED GRAIN INDEBTEDNESS.

[illegible] provided for seed grain, power and tractors and other assistance to needy settlers in western Canada. Supplementary advances which were made in the provinces of Alberta and Saskatchewan between 1931 and 1935 were implemented on a 50-50 joint federal-provincial basis. These advances were secured by liens registered against the homesteads, pre-emptions and other lands of the settlers concerned.

From 1927 to the present time the total principal indebtedness [illegible] to approximately $40,000,000, [illegible] to the crown. All the liens in favour of the crown held in British Columbia and Manitoba were discharged or released some time ago, and payments in respect of the remaining Alberta and Saskatchewan indebtedness have fallen off in recent years due to unfavourable crop conditions.

Investigation has revealed that the majority of the outstanding accounts are registered against marginal or submarginal farms owned by small unit operators, many of whom suffered severe crop damage during the past winter, and further payments would cause unwarranted financial hardship.

Therefore cabinet has granted approval for cancellation of the remainder of the federal share of seed grain indebtedness, and the provinces of Alberta and Saskatchewan have concurred in this recommendation with respect to the 1931-1935 joint federal-provincial advances.

Ottawa, 23 January, 1961.

Valentine Dieter, Esq.,
Dehler,
Alberta.

Dear Mr. Dieter,

I am pleased to advise that our recommendation for the cancellation of all outstanding federal and provincial Crown dues for Animals or other chattels has been approved by the Government. Enclosed is a copy of a statement in this matter, which was tabled in the House of Commons by my predecessor, the Honourable Alvin Hamilton.

A notice has been sent to the Registrar, requiring him to disallow and release the lien from the title for the N.W. of Section 35, Township 11, Range 1, West of the 4th Meridian, which is registered in your name. I would be pleased if you would forward your replicate Certificate of Title to the Registrar for amendment, at your convenience.

I sincerely hope that cancellation of these old debts and the release of your lands as security for the liens will relieve you of the worry of this obligation incurred so many years ago by the farmers.

Yours sincerely,

Walter Dinsdale.

MINISTER'S OFFICE
JUL 20 1923
DEP'T. OF INTERIOR

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Charles B. Sturrock, No.(Captain.)
N.E.¼ 23-19-4-W. 5th.M. - S.G.

The above named settler secured advances from the Board totalling $2635, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Sturrock requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Sturrock states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter of the 29th of March last from the Assistant Secretary of the Department to the settler, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board, as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1821) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ of 23-19-4-W.5th.M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

- John Sarnia

I understand there is the following lien registered against the above described property , I am interested in as owner.

No. 7641 B.O. reg 27 December 1916 for $235.00 plus 5%

Owing to conditions that have existed in the district for a number of years it has been impossible for me to pay the liens and unless they are written off, I cannot see any use in trying to make adjustments with my creditors, and continue farming in this district. Would it not be possible to have these liens cancelled? Please advise what can be done.

Attached please find copy of a letter from Mr. M. P. Mahoney, Benton, Alberta, requesting an adjustment of his seed grain, fodder and relief indebtedness, also statement of account.

Security.

S.W.¼ 17-27-2 W.4th M.

This is the homestead of Martin Mahoney, patented in his name on the 8th August, 1917, subject to the liens. According to a report on file, there were 205 acres on the half section in crop in 1925, and good buildings on the S.W.¼ 17.

N.W.¼ 17-27-2 W.4th M.

This is the pre-emption of Martin Mahoney, patented in his name on the 7th September, 1917, subject to the liens. In 1925 there was a 20' well, with pump, $35.00, and 2 miles 2 wire fencing, $130.00, also a granary $70.00, on this quarter, and 115 acres broken.

Encl.

S.E.¼ 20-27-2 W.4th M.

This quarter was patented on the 6th April, 1920, in the name of James Joseph Smale, clear of encumbrances. The interest of Mr. Mahoney in this land is evidently since that date, so that it is after acquired security under the 1915 Seed Grain Act.

Mr. Mahoney is stated in reports on file to be a hard worker, and had his land well improved when farming the W.½ 17-27-2 W.4th.

Re: Account of Martin Mahoney,
W½ 17-27-2-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Martin Mahoney received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $584.37 of which $198.40 is principal and $385.97 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $235.10 were advanced to Martin Mahoney on the security of the above mentioned land. A payment of $75.00 was received in 1926 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$198.40	$385.97	$584.37

Patent was issued in the name of Martin Mahoney for the S.W.¼ 17-27-2-W.4th on the 8th of August, 1917, and for the N.W.¼ 17-27-2-W.4th on the 7th of September, 1917, subject to the liens.

This half-section of land is of low assessed value (S.W.¼, $530.00 and the N.W.¼, $560.00) and has never been revenue producing sufficiently to enable the repayment of the liens. It is situated in that part of the Province known as "Special Areas" where most of the land is suitable only for grazing purposes. The debtor has advised us that owing to conditions in the district it has been impossible for him to pay off the liens and unless they were written off he could see no use in trying to make adjustments with his creditors and continue farming in the district.

In reply to our questionnaire of the 19th of May, 1952, Mr. J. Thomson of Local Improvement District No. 300, Special Areas, Department of Municipal Affairs, Edmonton, Alberta, advised us that this half-section had a present day value of only $1,090.00 and that there was an accumulation of $43.55 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances and in view of the payment already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

In a letter dated February 15, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain, fodder and relief which was advanced to Mr. Martin Mahoney by the Federal Government in the year 1915. The amount outstanding is $584.37 of which $198.40 is principal and $385.97 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Dear Sir,

Re: Account of Martin Mahoney
W½ 17-27-2-West of 4th.

This will acknowledge receipt of your letter dated October 4 1956 re the above and wish to state, that I have not been able to settle this account for reasons hereunder.

I was of the opinion, that under the Debt Adjustment Act all debts were cancelled however I learn now that this debt and other Govt. debts are still against the above property.

I only farm One Half Section and have only One Half lease, no cattle and a poor line of machinery and just enough Wht to sow about 80 acres. My health is not any too good and my Wife needs continual Doctors care. For this reason I kindly request your Dept. to cancel all this debt if possible and if this cannot be done to make the payment as lenient as possible.

Trusting that you will give this your earnest consideration,

Yours truly,

Martin Mahoney

Dear Sir:

Re: W½ 17-27-2-W.4th

We are enclosing a copy of a letter received from Mr. Martin Mahoney concerning his account charged against the above land. We forwarded you a statement of the Federal account some time ago.

In addition to the Federal indebtedness a recent Abstract of Title shows that there are a number of liens charged against this land in the names of the Municipal Districts of Cereal and Bertawan.

It would be appreciated if you will investigate this case and try to arrange an equitable settlement with Martin Mahoney which will include both our claims.

Yours very truly,

C. K. LeCapelain,

Dear Sir:

Re: W½ 17-27-2-W.4th

We wish to thank you for your letter of the 13th of April, 1957, informing us of the extenuating circumstances which you believe warrant a reduction in your account charged against the above land.

We believe that this case is worthy of sympathetic consideration and we are certain that a satisfactory settlement can be arranged. In addition to our liens there are also encumbrances registered against your land by the Municipal Districts of Cereal and Bertuwan.

As we believe that you would like to have these liens included in whatever settlement is proposed, we are taking the liberty of writing to Mr. A. R. Duff, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta. Mr. Duff will get in touch with you within the next few days.

Re: Account of Martin Mahoney
~ 17-27-2-~.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $235.10 were advanced to Martin Mahoney on the security of the above-mentioned land. A payment of $75.00 was received in 1926, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$198.40	$425.65	$624.05

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

F. W. Stinson.

Re: Account of Ovide Bosse,
N.E.¼ 15-67-16-W4.

Dear Sir:

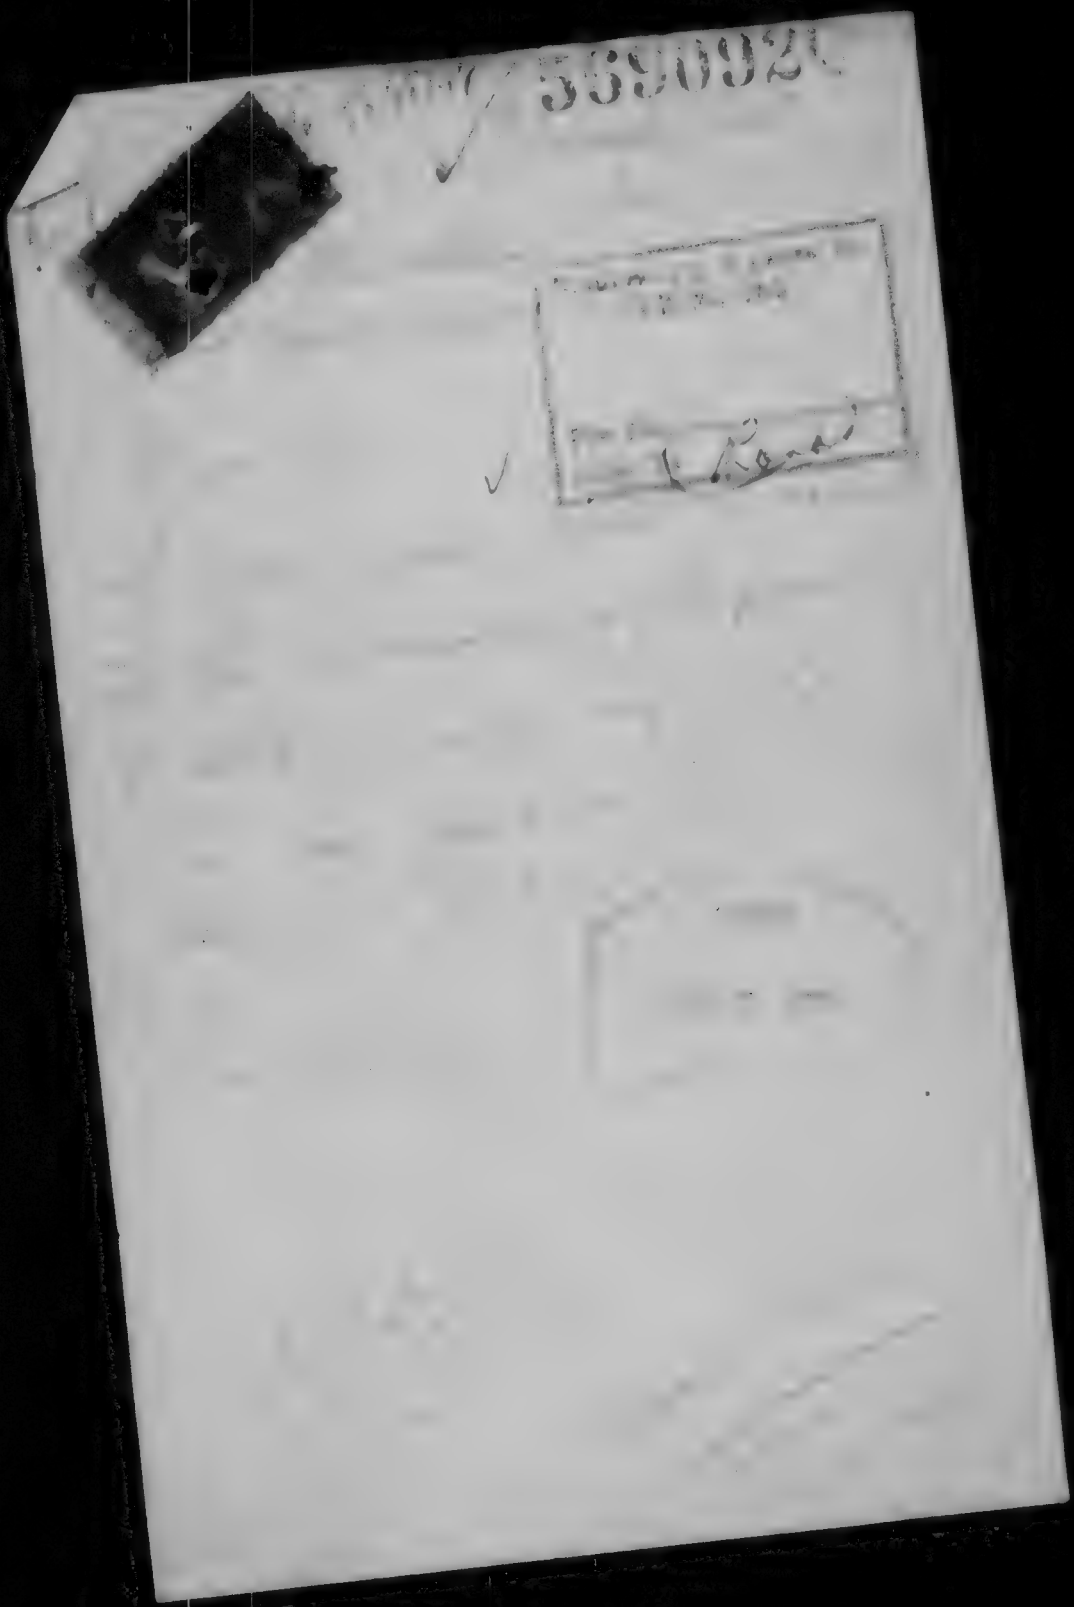

During the year 1915 while homesteading the above mentioned land, Mr. Ovide Bosse received relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $120.00 of which $40.00 is principal and $80.00 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

As there are still Provincial liens Nos. 3884 C.I., 1381 F.X. and 5195 G.Z. charged against this land, will you advise us as to whether these accounts were included in the settlement which he made. Further to my letter of February 23rd and yours of the 7th ultimo, please be advised that I have obtained information from the Land Titles Office, Edmonton, and at the moment the only encumbrances are Liens numbered 1554 C.P., 4876 B.O. and 3884 C.I. The first two Liens are registered with respect to the Dominion Advances account of $40.00 and the last mentioned pertains to a Seed Grain Lien issued by the Province for which the account has been cancelled under Chapter 32 of the 1939 Statutes of Alberta.

The Lien is, therefore, subject to removal and I am requesting the Registrar, by concurrent mail, to release this encumbrance.

In view of the fact that the only account remaining is with respect to Dominion Advances, I trust that your office will negotiate the settlement and advise us when the Liens are released in order that we may close our file which has been maintained with respect to Dominion Advances.

Re: N.E. 15-67-16-W.4th

Since writing to you on the 14th of February, 1956, we have been advised by Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, that the liens other than the Dominion lien for $40.00 have been removed. It would, therefore, appear that the payment which you made recently covered all of the Provincial liens.

After reviewing our file, we believe that there is sufficient justification for granting a reduction in the Federal indebtedness. In order to assist you in clearing your title, if you will remit the principal amount of $40.00, it will be recommended to the Seed Grain Advisory Board that the accrued interest of $80.00 be cancelled.

Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Dear Sir:

RE: N.T. 15-67-16-W.4th

This will acknowledge your letter received on the 15th of May concerning your relief account charged against the above land. You have evidently made a payment recently to settle the agricultural relief liens registered against your land by the Provincial Government and apparently you are of the opinion you are settling all the debts charged against it.

In order to clarify this matter we are quoting from two letters received from Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, to whom you made the payment. In a letter dated the 23rd of February, 1956, Mr. Cherkas wrote:-

> "Replying to yours of the 14th instant, kindly be advised that the reference made to payment receipt Number 32951 by Mr. Daniel P. Bosse is with respect to a settlement be forwarded to this office on account of Agricultural Relief Advances which were outstanding for the years 1936 - 1939 inclusive in the name of Ovide Bosse, former owner."

Later in response to a further query from us he stated that:-

> "I have obtained information from the Land Titles Office, Edmonton, and at the moment the only encumbrances are Liens numbered 1554 C.P., 4876 B.O. and 3884 O.I. The first two Liens are registered with respect to the Dominion Advances account of $40.00 and the last mentioned pertains to a Seed Grain Lien issued by the Province for which the account has been cancelled under Chapter 32 of the 1939 Statutes of Alberta.

DEPARTMENT OF LANDS AND FORESTS

EDMONTON, ALBERTA

August 17th, 1960

Dear Mr. Davidson:

Re: [illegible] 16-[illegible]-10-4, 4th Meridian.
Ovide F. Bosse.

We have an inquiry on the above land and our records show this land patented to Mr. Ovide F. Bosse. The Ottawa File No. is 240138, but this file cannot be located in the ones that were sent to us in 1950 and 1960. Could you give us some information concerning this.

Yours very truly,

For: C. R. Kenway,
Registrar.

Mr. A. T. Davidson,
Chief, Mining and Lands Division,
Dept. of Northern Affairs and National Resources,
OTTAWA, Ontario.

It will be noted that Mr. Bosse was naturalized in 1917, which would indicate that his application for entry was erroneous in stating his place of birth as the Province of Quebec, but our records do not show his actual racial origin as the Naturalization Certificate was returned in 1921.

Letters Patent were issued in the name of Ovide Bosse on the 8th of July, 1921, under Liber 906, Folio 261, Fiat 437887, Homestead 518686, and were forwarded to the Land Titles Office, Edmonton, on the 22nd of August, 1921, together with a notice of the Relief Lien, dated the 19th of August, 1921. Navigable Waters, Mines and Minerals, Rights of Fishery and Fishing, Water Rights and Springs were reserved in this Grant.

According to an Abstract of Title issued on the 10th of January, 1956, the lands were registered in the name of Daniel P. Bosse, under Certificate of Title 187-B-103, dated the 24th of August, 1944, subject to the Dominion Relief Lien registered under Instrument Nos. 1554-C.R. and 4876-B.O; a provincial Seed Grain lien No. 3884-C.I. dated the 28th of April, 1922; two Municipal Agriculture Relief Liens by Improvement District 665, numbered 1381-F.X. and 5195-G.Z. and dated the 28th of April, 1922; and a Caveat No. 8125-A.Z. filed by the Bureau of Public Welfare on the 20th of June, 1939. In 1956, the Department of Municipal Affairs advised that the Provincial Agricultural Liens were cancelled under Chapter 32, 1939 Statutes of Alberta, and the only remaining lien was the Federal account for $40.00, plus interest.

Yours very truly,

A. T. Davidson,
Chief,
Resources Division.

Alberta - Ovide Bosse.

I have your letter of the 17th of August, requesting information concerning Department of the Interior File No. 2899138, relating to the homestead entry of the above-mentioned party for the noted lands.

This file was withheld from transfer to your Department due to the fact that the lands are encumbered by a 1915 Dominion Relief Lien, which has never been discharged, and the file is still required for purposes of further negotiation and audit. The following summary of relevant data has been compiled for your information, to complete your records until such time as the file may be released by this Department.

The N.E.¼ of Section 15 was originally taken out as a homestead entry by Theodore O. Ornand, under an application dated the 25th of March, 1913. In his sworn statement in support of this application, Mr. Ornand furnished the following particulars:

S.E.¼ 20-27-2 W.4th M.

This quarter was patented on the 6th April, 1920, in the name of James Joseph Smale, clear of encumbrances. The interest of Mr. Mahoney in this land is evidently since that date, so that it is after acquired security under the 1915 Seed Grain Act.

Mr. Mahoney is stated in reports on file to be a hard worker, and had his land well improved when farming the W.½ 17-27-2 W.4th.

Yours very truly,

for Director.

Re: W.½ 17-27-2-W4

This Department has an old account against the above noted land for advances of relief, fodder and seed grain to Martin Mahoney in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of Martin Mahoney,
N½ 17-27-2-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Martin Mahoney received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $584.37 of which $198.40 is principal and $385.97 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

G.K. LeCapelain,
Chief, Lands Division.

Re: Account of Martin Mahoney
S½ 17-27-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $235.10 were advanced to Martin Mahoney on the security of the above mentioned land. A payment of $75.00 was received in 1926 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$198.40	$385.97	$584.37

Patent was issued in the name of Martin Mahoney for the S.W.¼ 17-27-2-W.4th on the 8th of August, 1917, and for the N.W.¼ 17-27-2-W.4th on the 7th of September, 1917, subject to the liens.

This half-section of land is of low assessed value (S.W.¼, $530.00 and the N.W.¼, $560.00) and has never been revenue producing sufficiently to enable the repayment of the liens. It is situated in that part of the Province known as "Special Areas" where most of the land is suitable only for grazing purposes. The debtor has advised us that owing to conditions in the district it has been impossible for him to pay off the liens and unless they were written off he could see no use in trying to make adjustments with his creditors and continue farming in the district.

In reply to our questionnaire of the 19th of May, 1952, Mr. J. Thomson of Local Improvement District No. 300, Special Areas, Department of Municipal Affairs, Edmonton, Alberta, advised us that this half-section had a present day value of only $1,090.00 and that there was an accumulation of $43.55 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances and in view of the payment already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re: W½ 17-27-2-W.4th

We are enclosing a copy of a letter received from Mr. Martin Mahoney concerning his account charged against the above land. We forwarded you a statement of the federal account some time ago.

In addition to the federal [illegible] a recent Abstract of Title shows that there are a number of liens charged against this land in the names of the Municipal Districts of Cereal and Bertawan.

It would be appreciated if you will investigate this case and try to arrange an equitable settlement with Martin Mahoney which will include both our claims.

Re: W½ 17-27-2-W.4th

We wish to thank you for your letter of the 13th of April, 1957, informing us of the extenuating circumstances which you believe warrant a reduction in your account charged against the above land.

We believe that this case is worthy of sympathetic consideration and we are sure that a satisfactory settlement can be arranged. In addition to our liens there are also encumbrances registered against your land by the Municipal Districts of Cereal and Bertawan.

As we believe that you would like to have these liens included in whatever settlement is proposed, we are taking the liberty of writing to Mr. A. A. Duff, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta. Mr. Duff will get in touch with you within the next few days.

Referring to your application for the privileg of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Re: Account of J. B. Bradshaw
S.E. 12-39-8 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain amounting to $433.00 was advanced to James Berthold Bradshaw on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 433.00	$ 843.70	$1,276.70

Patent was issued in the name of James Berthold Bradshaw for the S.E. 12-39-8 W. 4., on the 26th of November, 1917, subject to the 1915 lien.

In 1939 title to the land was acquired by the Municipal District of Provost No. 52, through tax recovery proceedings.

This quarter section is of low value and there is an accumulation of $1,109.70 arrears of taxes outstanding against it. The municipality has been unable to dispose of the land by sale and it is still vacant and no longer being operated. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

for W. J. Taylor.

Re: S.E. 12-39-8 W. 4.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

Sir:-

I beg to acknowledge receipt of your letter of the 5th instant from which it appears that your application for cancellation of the S. W. ¼ 16-24-6 W. 4th Mer. was made at the Sub-agency at Youngstown, whereas according to your application it would appear that it was made before the Sub-agent at Empress on the 7th of August last. Will you kindly advise me whether you also made an application for cancellation against the same land before the sub-agent at Youngstown on the 31st of August, and if such was the case what your object was in so doing. At the same time kindly advise me whether you took out Naturalization papers in the year 1907 or whether you are a citizen of this country by the naturalization of your father, and if it was your father's Certificate of Naturalization you forwarded.

A further period of twenty days from this date will be allowed you to reply to this letter and I am to warn you that if you fail within this time to clear this matter up satisfactorily, no action will be taken on your behalf.

Gentlemen:-

Mike Holojda of Carbon, Alberta, has handed me your letter of October 11th to reply. He wishes me to advise you as follows:- He is the same party that made application at Empress August the 7th, and he was afraid it might not be accepted from there, and he filed again at Youngstown on the 21st of August to make sure that his application would be accepted. He became of age in this country. The copy of the Naturalization papers sent to you was of his Father. Please advise him to Carbon, Alberta, if his cancellation will stand. Thanking you in advance

I am,

J. B. Mc.

Yours truly,

he stated he came to Canada in the year 1887 and in the other in the year 1891. He also set forth in one that he became a Naturalized Citizen in the year 1907 and in the other he stated that he had become a citizen by the naturalization of his father.

For these reasons therefore his application cannot be accepted and a copy of this letter is being forwarded to him at Cowpon, with which is being returned his father's Certificate of Naturalization.

Sir:-

I beg to acknowledge receipt of your letter of the 30th ultimo in the matter of the two applications for cancellation made by Mike Holojda against the S.W. ¼ 16-24-6 W. 4th Mer. and to say that in view of the discrepancy in the information furnished by him in the two declarations executed by him with regard to his nationality, and also in view of the fact that he apparently attached his own signature in one case, the name being given as Michal Holojda, while in the other it would appear that he was unable to write as he only made his mark and it was witnessed by the sub-agent, and the name was given as Mike Holdyga, I cannot accept either application.

It is noted that you state in your letter that his object in making two applications was to make sure that it would be accepted, and if the information furnished in the two declarations did not conflict and the manner of his signature was not so peculiar, it might have been possible to accept his application. I would point out however that in one case he stated he was born in Waschytn, Austria, in the year 1886, and in the other that he was born in Hudiatyn, Austria, in the year 1887, and in one declaration

Re. File #85375.

Dear Sir:-

In reply to your letter to me, and copy sent to Mike Holojda I wish to say that I have gone to considerable inconvenience to ascertain full details in connection with what was done when Mike Holojda made application for cancellation against the South West quarter of Section Sixteen (16) Township Twenty Four (24) Range Six (6) West of the 4th Meridian. He informs me that the reason he signed his name Michal Holojda at Youngstown, was the Sub Agents fault as he said his name was "Mike", and she said "Mike would not do for him to write Michal, as that was the way it should be in English." As to his signature given at Empress the Sub Agent wanted him to write his name in English, and the Agent at Empress said his name would do. He is willing to swear to these facts, but it would appear as though some injustice has been done him in this connection. As to his age and place of birth he gave the same to both Sub agents, and they done the figuring as to the year. It would also appear in this connection that the error was not his but your Sub Agents. I am totally disinterested in this application, but I would like to see justice done to every party. I trust that you will reconsider your letter of November the 2nd., and put the matter in such a position that he may still be given the chance for this land. If necessary he will forward a sworn statement to these facts. As to his Naturalization Papers when he appeared at Empress he showed the copy of his citizen papers of his Father, who, said "I was afraid that they were a copy of his fathers". At Youngstown the Agent asked him "Who owned the papers". He said " They belonged to him and were a copy of his father's Naturalization Papers". it would also appear here to that there was some slackness as to your Sub Agents. Thanking you for a reply, and also please advise him to Cappon, Alberta.

I am, Yours truly,

enclosing applications for cancellation and correspondence.

Sir:-

I beg to acknowledge receipt of your letter of the 14th instant with further reference to the two applications for cancellation made by Mr. Mike Holojda against the S.E. ¼ 16-41-6 W. 4th Mer., and to say in reply that I have no reason to believe that the sub-agent at Vermilion at present has not set forth in the applications the facts as given by the applicant, and in view of the glaring discrepancies in the two applications I did not feel authorized to accept same. I am however now forwarding to the Department at Ottawa both applications, together with copies of correspondence in this connection, and upon receipt of a reply from the Department, you will be further advised.

A copy of this letter is being forwarded to Mr. Holojda for his information.

Your obedient servant,

[illegible]
Agent.

J. Howard Mercer, Esq.,
Vegreville, Alberta.

When the 2nd application for cancellation, apparently, from the same party, reached the Agent, he wrote Mr. Holojda and requested him to state whether he also made applicationfor cancellation against the same land before the Sub-Agent at Youngstown on the 21st of August and if so, why he had done this. In reply the Agent received a letter from J. Howard Alexander, Notary Public, of Oyen, Alberta in which he stated that Mr. Holojda made two applications to cancel , the reason being that he was afraid that the application which he made at the Empress Sub-Agency would not be accepted there, and to make sure that his application would be accepted he app ared at Youngstown and filed another application.

On the 2nd instant the Agent, replying to Mr. Alexander, pointed out the discrepancies existing between the two applications and informed him that if the information furnished in the two declarations did not conflict and the manner of his signature was not so peculiar, it might have been possible to accept his application to cancel; but, under the circumstances and for the reasons mentioned he could not accept the application.

Mr. Alexander, under date of the 10th instant endeavours to throw the blame, for the above mentioned discrepancies, on the shoulders of the Sub-Agents stating in part as follows;-

> "He informs me that the reason he signed his name Michal Holojda at Youngstown, was the Sub-Agents fault as he said his name was "Mike", and she said "Mike would not do for him to write Michal, as that was the way it should be in English." As to his signature given at Empress the Sub-Agent wanted him to write his name in English, and the Agent at Empress said his mark would do. He is willing to swear to these facts, and it would appear as though grave injustice has been done him in this connection. As to his age and place of birth he gave the same to both Sub-Agents, and they done the figuring as to the year. It would also appear in this connection that the error was not his but your Sub-Agents."

In view of the foregoing the Agent has referred the matter here for the consideration of the Department and I may state that, in my opinion, neither of the Sub-Agents are to blame for the discrepancies in the two applications filed by Mr. Holojda as same are too glaring and could not result from the failure of one of the officials to understand this man. Kindly state what action you desire taken in this matter.

Mr. Hume.

S.W.¼ 16-24-6-W.4th M.
Hd. of Robert C. Bruce.
Entry granted July 6th. 1916.

This is a case in which the one man filed two applications to cancel the same entry at two different Sub-Agencies.

The Agent upon learning the facts of the case refused to accept Mr. Mike Holojda's application to cancel and has referred here the correspondence in the matter.

The facts appear to be as follows;-

Mr. Holojda appeared before the Sub-Agent at Empress on the 9th August and applied to cancel the above described quarter-section. When executing the affidavit in support of his application and also the statutory declaration regarding his naturalization, he did not sign his name but only made his mark. Moreover in his declaration on Form No.305, he stated that he was born in 1886 in Waschytn, Austria and first came to Canada in 1897.

On the 21st August he appeared before the Sub-Agent at Youngstown and when executing a similar declaration he was capable of signing his own name. In his declaration on Form No.305 executed at this office his statements did not correspond with those made at the Empress office, as he stated that he was born in 1887 in Lamberg County, Husiatyn, Austria, and first came to Canada in the year 1091. Moreover in this declaration he stated that he was a British subject in consequence of his father having become naturalized before he, himself, was twenty-one years of age, whereas in his other declaration he stated that he was a British subject by naturalization which he obtained in 1907.

Memorandum:-

S.W.¼ of 16--24--6, W. 4th M.
Homestead of Robert C. Bruce.
Entry granted 6th June, 1916.

Mr. Mike Holojda filed two applications to cancel the above entry, one at the Sub-agency at Empress and one at the Sub-agency at Youngstown.

When asked for an explanation regarding his action he stated that he was afraid that the application which he made at the Empress Sub-agency would not be accepted, and so to make sure he re-applied before the Sub-agent at Youngstown. A full statement of this case is set out in Mr. Leahy's memo. hereunder.

Although Mr. Holojda's action was not regular, there would seem to be no particular illegality about filing two applications to cancel the entry for the same quarter-section. Of course if Mr. Holojda had applied to cancel two different quarter-sections it would have been a different matter.

Under the circumstances I would suggest that one of the applications be allowed to stand, provided he furnishes satisfactory evidence that he was a British subject prior to the 4th August, 1914.

Respectfully submitted,

I have your communications of the 10th of June and 8th of July relative to the [illegible] Alberta Coalcutting Lease which it would appear that the salary of Mr. Albert [illegible] has, since June, been cancelled by you on the 14th of June, and that the land was re-entered by Mr. Edwards on the 4th of July last.

Your attention has already been called to the departmental requirement, requiring that where you are doubtful of the result of the survey, you should first submit the question of cancellation before taking final action.

Until [illegible] with Mr. Eckford, [illegible] is entitled to right of occupation until he knows whether not the salary granted by you has been confirmed by the Department.

Kindly explain your reasons to the Department for the action taken.

Please see the Memorandum of the 17th May, 1913, marked.

On the 26th May, the Agent at Calgary was requested to report whether M. Holoyda, the applicant for inspection of the South-west quarter of Section 10, Township 24, Range 6, West of the 4th Meridian, produced evidence that he was a British Subject by naturalization. In the Agent's letter of the 17th June, he reports that Mr. Holojda furnished satisfactory evidence that he was a British Subject prior to the 4th August, 1914.

The entry of the late Robert C. Bruce was cancelled by default on the 26th June, 1918, and on the 24th August, re-entry was granted to Mike Holoyda, the applicant for inspection.

On the 10th September, the Agent requested Mr. Holoyda not to take possession of the land or exercise any act of ownership.

On the 2nd October, Mrs. Bruce was allowed thirty days to furnish the Agent of Dominion Lands Calgary with a statutory declaration showing exactly what had been done in the way of settlement duties.

In her reply on the letter of the Agent of Dominion Lands of the 26th ultimo, she states as follows:

"My husband died in April, 1917, and as I "am an invalid and my son is in France I was unable "to get any of the settlement duties done on this "land."

In view of Mrs. Bruce's statement, may the Agent of Dominion Lands Calgary be advised that the cancellation of Mr. Bruce's entry is to be carried out and the entry granted to Mike Holojda confirmed?

MEMORANDUM.

Mr. Hume.

Application for patent of Mr. Mike Holoyda for his homestead, the S.W.¼ 16-24-6-W.4th M. Recommended.
Date of entry 8th July, 1918.

This man in his application for patent claims to be a British subject through the naturalization of his father and furnished his father's Certificate of Naturalization, which is dated the 8th January 1902.

In his application for patent he claims to be forty years of age, and if this age is correct he would appear to have been twenty-one years old when his father was naturalized a British subject.

On turning to his affidavit in support of the application for cancellation of this land, which he executed on the 9th August 1917, he stated that he was born in Austria in 1886, which would make him sixteen years of age at the time his father became a British subject.

Accepted on this declⁿ

Evidently this man's application for patent did not correctly give his age. Please say if you will accept or whether he should be asked for an explanation.

Sir,-

NW Sec. 16 Tp. 24 Rge. 6 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.
